

MYCAMPUS STUDENT ACCOUNT INFORMATION

Welcome to Mid-State Technical College! As a Mid-State student you will have access to all computer-based student applications through the MyCampus single sign-on portal.

To access MyCampus:

- Set up your student accounts using the link emailed to you at the time of application.
- Go to the Mid-State homepage (mstc.edu) and navigate to the upper-right corner of the page. Select **MyCampus Login**.

Enter your username (**lastname+last4ofID#@mstc.edu** / e.g Taylor Smith with Student ID 12345678: smith5678@mstc.edu) and password. If you no longer have the email instructions for setting up your account, click on First Time User from the **MyCampus Login** page. If you no longer have the email instructions for setting up your account, select First Time User from the MyCampus Login page.

Frequently Used Student Applications

MyCampus provides Mid-State students with a suite of applications. Below are some common ones you'll need to use.

Blackboard

Blackboard is the learning management system that Mid-State students use to access their courses. It includes resources such as syllabi, course discussion boards, and instructor contact information. Courses show up in Blackboard the first day of class.

Handshake

Handshake is a great resource to search for internship opportunities and jobs in your career field.

HelpDesk

The HelpDesk is available 24/7. This portal will allow you to submit a work ticket if you experience an issue with a Mid-State-owned device or accessing an application through MyCampus.

MyMSTC

MyMSTC is a self-service portal where you will access financial aid, your student account, and student administrative systems like transcript requests and course history. You can also access your student email from your MyMSTC portal. Login to MyMSTC with your student ID (do not add @mstc.edu) and network password.

Online Orientation

Online orientation has been developed to help you start your journey as a successful Mid-State student. Our online orientation offers essential information about Mid-State, academic programs, valuable resources, and our community of learners. Orientation is required of all new program students and is optional for individual course takers.

Student Email

Student email is your Mid-State-provided email account. This is how your instructors and college staff will contact you. Please check regularly so you do not miss out on important information.

Scholarship Application

The Scholarship portal will allow you to apply for internal and external scholarships during open application windows.

Need to Change Your Password?

- On campus: From a Mid-State device, press the **Ctrl + Alt + Delete** and select **Change a password**.
- Off campus: Visit **Password Reset (password.mstc.edu)**.

Forgot Your Password?

- Visit **Password Reset (password.mstc.edu)**.

For more information visit the **Technology page (mstc.edu/technology)**.
For assistance contact the 24/7 Help Desk at **877-469-6782**.
