

## **EMPLOYABILITY SKILLS**

In addition to specific job-related training, Mid-State has identified a set of employability skills that go beyond the content of a specific course.

**The College supports all certificate, technical diploma, and associate degree students in developing these skills:**

- Behave Responsibly: Ethical Behavior, Self-Responsibility, Conflict Resolution, Collaboration
- Communicate Effectively: Writing, Technical Documentation, Listening, Speaking, Interpersonal Communication, Reading
- Critical & Creative Thinking: Inquiry, Evidence Collection, Analysis, Reasoning, Reflection (Metacognition)
- Cultural, Social, & Global Awareness: Global Awareness, Social & Cultural Awareness, Social Responsibility
- Use Appropriate Technology: Use of Technology, Confidentiality, Security, Digital Civility
