

Health Information Management Accreditation Information

Mission: The Mid-State Technical College Health Information Management online program prepares students for success in the diverse and expanding field of healthcare information.

Vision: The Mid-State Technical College Health Information Management program delivers high-quality online learning through innovative instruction.

The Health Information Management accreditation of Mid-State Technical College is the Commission on Accreditation for Health Informatics and Information Management (CAHIIM). The College’s accreditation for an Associate degree in Health Information Management accreditation has been reaffirmed through 2030.

All inquiries about the program’s accreditation status should be directed by mail to CAHIIM, 200 East Randolph Street, Suite 5100, Chicago, IL 60601; by phone at 312-235-3255; or by email at info@cahiim.org.
