

## Surgical Technology Accreditation Information

The goal of this program is to prepare entry-level Surgical Technologists who are competent in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains to enter the profession.

The Mid-State Technical College Surgical Technology program is accredited by the Commission on Accreditation of Allied Health Education Programs upon the recommendation of Accreditation Review Council on Education in Surgical Technology and Surgical Assisting (ARC/STSA).

### Commission on Accreditation of Allied Health Education Programs
